

Editorial Note:
Third Announcement of PCM-CMM 2027: Registration Is Now Open

We are pleased to announce that registration for the forthcoming PCM-CMM 2027 Conference is now open. The conference will jointly host the *6th Polish Congress of Mechanics* and the *27th International Conference on Computer Methods in Mechanics*. The event will take place on 6-9 September 2027 in Białystok, Poland.

Registration is carried out exclusively through the online system. For presenting authors, **abstract submission is mandatory** in order to complete the registration. Authors should download the official abstract template, prepare the abstract in MS Word format, and upload it together with the registration form. The abstract file should be named **PCM-CMM-2027_Name_Surname.docx**, using the first name and surname of the presenting author.

Registration procedure

1. **Prepare the abstract** using the official PCM-CMM 2027 template.
2. **Complete the online registration form** and upload the abstract in DOCX format.
3. **Receive registration confirmation** at the e-mail address provided in the form; the participant ID and payment information are generated during the registration process.
4. **Abstract review** is carried out by members of the Scientific Committee. Authors are then notified of acceptance.
5. **Pay the conference fee after abstract acceptance** according to the applicable registration-fee period.

Key dates

Very Early registration fee	until 31 December 2026
Early registration fee	until 28 February 2027
Regular registration fee	until 30 April 2027
Late registration fee	until 31 May 2027
Abstract submission deadline	30 April 2027
Conference	6-9 September 2027

Accepted abstracts will be published in the electronic Congress Book of Abstracts. Detailed registration fees, payment information and organizational details are available on the conference website. Participants wishing to benefit from the lowest registration fee are encouraged to register and submit their abstracts as early as possible.
